# OUR SERVICES

## MANNED GUARDING

Our vigilant security personnel provide round-the-clock protection for your premises and assets, demonstrating unwavering dedication and expertise in maintaining a secure environment. We are meticulously trained to deter potential threats, manage access control, and respond effectively to ensure the safety and security of your facility and valuable assets.

## MOBILE PATROLS

Our mobile patrol security delivers a dynamic and responsive security presence, conducting regular patrols of your site to effectively deter potential threats and promptly address any security concerns that may arise. Our proactive approach ensures ongoing vigilance, enhancing the overall security of your property and assets.

## RETAIL SECURITY

Elevate the safety of your retail space with our customized security solutions, expertly designed to deter theft and maintain a secure shopping environment for both your valued customers and dedicated staff, fostering a welcoming and worry-free retail experience.

## STATIC SECURITY

Our steadfast static security solutions act as an unyielding shield, protecting against unauthorized access by maintaining a vigilant watch over your property day and night. Our trained personnel are dedicated to ensuring a secure environment, deterring potential threats, and providing round-the-clock protection for your premises and assets.

## EVENT SECURITY

Our comprehensive event security services offer tailored solutions for a wide range of events, including concerts, conferences, exhibitions, and more. From expert crowd management to effective risk mitigation strategies, our specialized event security teams work diligently to ensure gatherings are seamless and secure.

## SITE SECURITY

Protect your construction site from vandalism and theft with our proactive security measures, guaranteeing uninterrupted progress and asset preservation. Our services go beyond traditional security, encompassing fire safety assessments and the implementation of safety protocols to ensure a comprehensive approach to safeguarding your construction project, assets, and personnel.

## RISK ASSESSMENT

Our thorough risk assessments are designed to pinpoint vulnerabilities within your organization, equipping you with valuable insights to fortify your security strategy effectively. By identifying potential threats and weaknesses, we empower you to make informed decisions and implement targeted security measures that proactively protect your assets and mitigate risks.

## CLEANING SERVICES

Beyond security, we provide meticulous cleaning services that go the extra mile to ensure your environment remains not only safe but also pristine and inviting. Our dedicated cleaning teams are committed to maintaining the cleanliness and hygiene of your premises, creating a welcoming and refreshing atmosphere for your employees, clients, or guests.

## FIRE AND THEFT PREVENTION & DETECTION

Our cutting-edge solutions are dedicated to preventing and detecting both fires and theft, effectively minimizing the potential for loss and creating a secure environment. Through state-of-the-art technology and comprehensive strategies, we ensure the safety of your property and assets, offering peace of mind and safeguarding against potential threats.

## ACCESS CONTROL

Our advanced access control systems empower you to regulate entry points and restrict unauthorized access, reinforcing your premises' security. With cutting-edge technology, we provide a comprehensive solution to safeguard your property, assets, and sensitive areas, ensuring a secure and controlled environment for your organization.

## REMOTE SECURITY THROUGH 24/7 HELPDESK TEAM

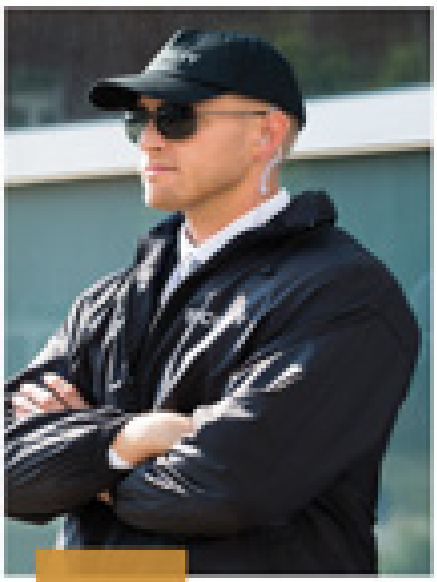
Our dedicated 24/7 helpdesk team provides real-time remote security monitoring, guaranteeing rapid response and constant vigilance. With our vigilant professionals overseeing your security remotely, you can have peace of mind knowing that potential threats are swiftly identified and addressed, enhancing the overall safety and security of your premises.

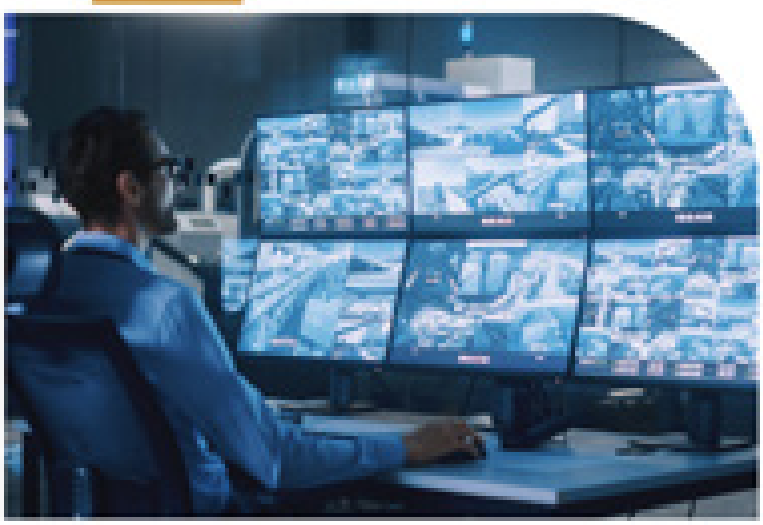
## FACILITIES MANAGEMENT

Seamlessly integrate security and facilities management for a holistic approach that optimizes operations and enhances safety. By combining our expertise in security with efficient facilities management practices, we ensure a cohesive and well-rounded strategy that not only protects your assets but also maximizes the efficiency and safety of your facilities.

# SECURITY SERVICES

Leon Guarding and FM Limited is your premier security partner in the UK, with over a decade of expertise delivering tailored, technology-driven solutions for individuals, businesses, and events. Our highly-trained team, commitment to cutting-edge security technology, and unwavering dedication to transparency and compliance ensure your safety and peace of mind 24/7.





# CLEANING SERVICES
